Returning from a covert mission, Mitch Rapp was publicly hailed by the president for his role in the fight against terrorism. After years of working in the shadows, Rapp was caught in the media spotlight—and marked for death by virtually every terrorist in the world. Now a CIA advisor, Rapp is ready to battle terror far from the front lines.

**Executive Power book by Vince Flynn - ThriftBooks**  
Executive Power is a return to form after Separation of Power which dealt with Mitch Rapp's personal life. Rapp's marriage and related problems do come to the fore but only for a limited time. In fact, reading about Rapp getting a dressing down from his wife is one of the novel's funnier moments.
