Night Walks Charles Dickens

In Night Walks, insomniac Charles Dickens recounts the walks he goes on when he can't sleep. I had high hopes that this book, a minor work of non-fiction from a novelist who, to some extent, steps aside from his field, would be right up my alley. After all, I usually find so many hidden gems in this sort of book, but Night Walks didn't work for me. I suspect my ignorance of the time period prevented me from latching on to any narrative flow that might have carried me through.

Night Walks by Charles Dickens - Goodreads

Night Walks. All The Year Round - July 21, 1860. Dickens, as the Uncommercial Traveller, can't sleep and spends his nights walking around London. His nighttime rambles take him to Newgate Prison, Covent Garden, Westminster Abbey and other locales. Some years ago, a temporary inability to sleep, referable to a distressing impression, caused me to walk about the streets all night, for a series of several nights.

The Charles Dickens Page - Night Walks

This short book has a number of essays by Charles Dickens about walks he took through London. Insomnia caused Dickens to walk the streets at night, but there are also other essays about his time walking the London streets - including one where he becomes separated from his adult companion as a child and believing himself to be lost forever, determines to go off and seek his fortune.
