The Big Busy Machines: Planes! board book provides the perfect way to introduce reading in your home. Children will learn all about transportation as they follow a day in the life of a plane at work. This resource engages early learners by using short, simple language and detailed illustrations.

Planes! (Big Busy Machines) Board book - amazon.com

This board book is about planes. As with other books by the author, the sentences are simple and work primarily to label and explain the picture. The book begins with examples of several different types of planes - seaplanes, crop dusting planes, planes that write messages- and then settles on the jet plane.

Planes Board Book (Board Book) - Walmart.com - Walmart.com

This fun and playful board book introduces young children to the world of planes in their many forms. There are thin planes, fat planes, planes that draw across the sky, and many more! From the author and illustrator team of Go, Bikes, Go! and Go, Boats, Go!, this delightful board book celebrates planes in action.

Go, Planes, Go! by Addie Boswell: 9781632173157 ...

Like Barton's other books, Planes is a sturdy board book with lovely, bold, vivid, and simple illustrations accompanying very simple text. Elsie's favorite pictures are of the orange jetplane on the blue sky, and of the people getting on and off of the plane.

Print your boarding pass and check your luggage. Although many airlines allow you to check in and print your boarding pass online (if you're not checking luggage), you can also choose to do so in person at the airport. Enter the airport in the section of your airline carrier, and locate their counter.
