The Next Generation Conversion 4

Conversion 4 is the story of Emma and Teren's twins Julian and Nika Adams. This book was really good and I highly suggest you read the three that come before it-The Conversion Series, as it gives the background and introduces the characters in the series.

The Next Generation (Conversion Book 4) - Kindle edition ...

The Next Generation: Conversion Book 4. Fitting in can be hard for anyone. But for Julian and Nika Adams, it's especially challenging. Born as partial vampires, a rare offshoot of pureblood vampires, the twins have had to deceive people their entire lives—distancing themselves from their peers. Nika desperately wants a hero, a soulmate, someone she can trust with every fiber of her soul—someone as amazing as her father.

The Next Generation Science Standards (NGSS) are K-12 science content standards. Standards set the expectations for what students should know and be able to do. The NGSS were developed by states to improve science education for all students. A goal for developing the NGSS was to create a set of research-based, up-to-date K-12 science standards.
