The White Hotel - Wikipedia

D. M. Thomas writes lyrically about horrific events. White Hotel pulls no punches in describing the viciousness of the holocaust. Many will complain that they don't need to read depressing stories but as long as the horrors of genocide remain abstract, we are at risk of repeating those horrors.

Structurally, "The White Hotel" resembles Nabokov's "Pale Fire", while stylistically it has more in common with Thomas Mann's "The Magic Mountain". There are two main differences from Nabokov's novel: the relative lack of metafictional self-reflexiveness in "The White Hotel", and D. M. Thomas' respect for Freud, whereas Nabokov says he detests him:

fictional case study? D.M. Thomas does just that in his 1981 novel The White Hotel —and, to up the ante considerably, aims to explain more than just a case of hysteria, but rather come to grips with horrifying world-historical events. To say that such an agenda is ambitious is an understatement. Upon the book's

The White Hotel (1981), a novel by the British poet and novelist D.M. Thomas, imagines the life of Lisa Erdman, an Austrian opera singer being treated by Sigmund Freud for psychosomatic pain. Although Lisa is a fictional character, her treatment is loosely based on some of Freud's real case studies. Lisa has uncanny foresight, and she gives Freud written accounts of her erotic hallucinations, which have a dreamlike, prophetic quality.
